## **SELECTMEN'S NOTE**

---

We respectfully submit to the citizens and taxpayers of Troy this annual report for the year 1980.

The auditor has started but we regret that his report will not be available to us by the time this book goes to print.

We wish to thank the various officers and townspeople who helped us during the year to make our jobs a bit easier.

We wish more people would take an interest in town business.

---

## **ANNOUNCEMENTS**

---

Seven Star Grange will serve their usual delicious dinner at noon Town Meeting Day. A nominal donation will be welcomed for this dinner.

Again we feel sure of deep appreciation from many of us if smokers refrain from smoking at our business meeting.

## Report of the Selectmen, Assessors and the Overseers of the Poor

## **FIRE CHIEF'S REPORT**

---

To the citizens of the Town of Troy :

It's our pleasure to submit to you the year's activities of your fire department for the year 1980.

Officers:

Pres., Ashton Clark

V. Pres., Gerald Parker

Sec.-Treas., George Kaldro

Fire Chief, Chester Packard

Asst. Fire Chief, Don Mitchell

Fire Warden, Chester Packard

Asst. Fire Warden, Frank Irish

Board of Directors, D. Bell, W. Howe, D. Mitchell,  
L. Carter, C. Fletcher, G. Hamel, and S. Fernald.

The year 1980 was a fairly busy year as always with the fire department responding to several calls ranging from water pumps, boilers, chimney's, stoves, tractors, grass, a trailer, and a house.

The equipment was used for burning grass, old buildings, etc. The air packs were updated.

The Fire Department wishes to give special thanks to the Ladies Auxiliary for all the money and efforts for the fire department.

## **TROY SNOWBEATERS SNOWMOBILE CLUB**

### **1980-1981**

---

Our weatherman was not producing snow for us this year but we did accomplish a few things.

Our members improved trails and cleaned up brush including trail to Detroit, which was on ITS route - State.

We have noticed increased use of trails by cross-country skiers. We welcome them to join our club.

Our yearly Beano gained us a nice check for the Pine Tree Camp for Crippled Children.

We gave a turkey and all the fixings to a needy family at Christmas time.

The shortage of snow hasn't made a difference in membership, we have gained 6 more family memberships. Please come and join us. Our meetings are open to the Public - stop in for coffee and find out what we do.

This is all our activities for year but we have next year.

Respectfully,

**EDYTHE CARTER**

## REPORT OF THE TROY PLANNING BOARD

---

1980 was a quiet year for the planning board. The only permit activity was applications for electrical service (pole permits). Eight permits were approved for houses and one for the new Troy Postal facility.

Work continued on the comprehensive plan. with the 1980 census finished, new information is gradually becoming available and much of the draft work is being updated. The census counted 702 people in Troy, up from 543 in 1970. Although this seems like a big increase, we are still one of the smaller and slower growing towns in the county.

Because most of the new census material will be available soon, the planning board did not publish any newsletters in 1980 or print up any of its lengthy study. Thus none of the funds raised at last year's Town Meeting were used. However, the planning board feels that having a small sum available for expenses and printing cost is important and is requesting that \$100 again be set aside for its use in 1981.

The North Kennebec Regional Planning Commission has completed the very tedious job of transferring the information on all eight natural resource maps to mylar for permanent keeping. They have given us far more assistance than our membership entitles us to.

At the end of the year the planning board reviewed a proposed hazardous waste ordinance which several towns have already enacted and many towns are considering at their annual town meetings this month. The ordinance

simply prohibits anyone from storing up or dumping hazardous waste in the town without the townspeople's approval. Because of things that have happened in other parts of the state such as the contamination of the drinking water in Gray, and elsewhere, by haphazard dumping, the planning board thinks having the ordinance is a good idea and encourages voters to support it.

The board met twice a month at the Troy School throughout 1980. Meeting dates will be set at the board's annual meeting in April for next year and published. The public is welcome and encouraged to drop in.

## **REPORT OF TRUSTEES OF THE FOREST AREA**

---

During this past year, 1980, we have continued our efforts of getting and defining the Boundries of the Town Wood Lots. Mr. John Olsen of Dixmont, the surveyor, is still assisting us and we find him very efficient. We now have Maps and Titles to the Lanigan Lot, Stockford and Gray Lots, Tilton Lot, Scribner and Hood Lots. We are presently working on the Davis Lot and Prentiss Lot. The next ones we will do will be the Knights Lot (Norton), Varney Lot, Vinson Lot, and Hawkes Lot

The pruning on the Videtto and G. Williston Lots have been completed. The committee feels that our Woods Operator has done a suitable job, we could say better than average, especially with a skidder. The operator being Joe Klein of Troy.

For any further information contact your Trustees: Willis Howe, Roger Mitchell, Stanley Luce.

## **PLUMBING INSPECTOR'S REPORT**

---

For the year ending 31 Dec. 1980, the Town of Troy issued 10 external and six internal plumbing permits, all have been inspected and completed.

There have been several changes in the plumbing codes including trailer hook-ups so therefore it is imperative that all inhabitants and prospective builders are reminded that before any change in existing or any new plumbing is installed, including hot water heaters, should contact the plumbing inspector for information and necessary permits before proceeding with the changes. This must be done to insure compliance with the state and local codes.
